Tallahassee HOG is about the experience of riding a Harley Davidson and the **Tin Butt** is intended to build on that experience. On your own or with a group, ride 500 miles in 12 hours and earn a **Tallahassee HOG Tin Butt** pin.

- **Tin Butt** guidelines follow the ones created by one of our Tallahassee HOG members Jack Powis. Jack established **Long Distance Riders** to allow all motorcycle riders to test their riding and endurance skills.
- The Tallahassee HOG **Tin Butt** follows Jack's Easy Rider, 500 miles in 12 hours format and we use the **Long Distance Riders** forms to document your ride.

- Someone other than yourself must sign as a witness. Wherever you decide to start and end, we must have "official" signed documentation. Please include your witness' name and address so that we may contact them for verification.
- Keep all your receipts along the way.
- While on your Long Distance Ride you will be stopping along the way for gas, water, lunch, etc. Keep all your receipts as this will help to maintain a log of your route and often contain the date and time.
